I think this is great news just before the Buckey court date in two weeks! Maybe we should have a pallet meeting in Ohio and show up at court. I wonder what the judge would think if 250-300 of us showed up?

We could have a breakfast meeting, go to court, do lunch and discuss all the news we just heard, go back to court for the day, go to the bar and make more plans of how to market lost pallets. Any takers one this idea?
